Continuing Education Disclaimer

This Continuing Education Program provides attendees with a relevant and rewarding continuing education experience. However, neither the content of a course nor the use of specific products in any program should be construed as indicating endorsement or approval of the views presented or the products used by the AAO or by any of the respective subsidiaries. Speakers are required to disclose to participants any financial, commercial or promotional interest in a product or company that may influence their presentations; however, the AAO shall not be liable for a speaker's failure to disclose such interest.

Recognition

The American Association of Orthodontists is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual lectures or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

American Association of Orthodontists designates for all CE activities, 0.25 credit hours will be awarded for each 15 minutes of activity time unless otherwise noted.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at www.ada.org/CERP.
